# metallics

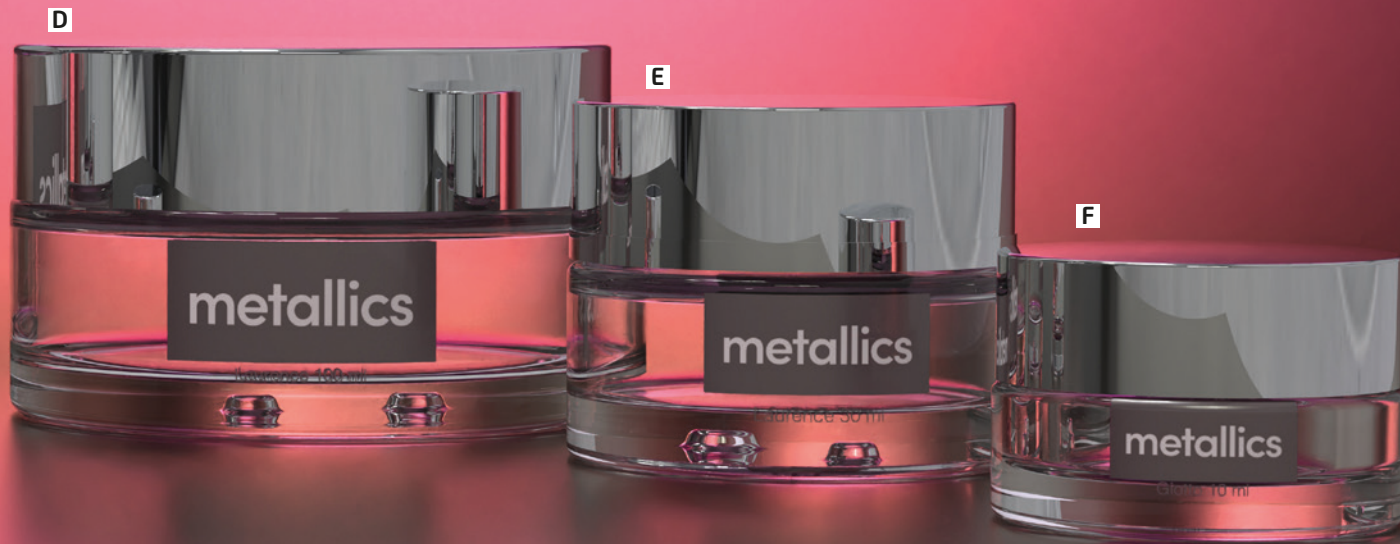

Metallics è una collezione di articoli premium dedicati al mondo skincare di alta gamma. Raggruppa linee di prodotti cilindrici, in vetro e in plastica, abbinati ad accessori ricoperti in metallo o metallizzati. La collezione è suddivisa in diverse sezioni tematiche: una sezione dedicata ai vasi e un'altra ai flaconi in vetro; sono presenti poi soluzioni airless, flaconi vetro ricoperti in metallo, vetri con fondo spesso e flaconi plastica. Scopri un mondo di possibilità con i prodotti

**Metallics!**

*Metallics is a collection of premium packaging sets dedicated to high-end skincare. It puts together various cylindrical lines of glass and plastic products, completed by metal or metallised accessories. The collection is split into several themes: a glass section for jars and bottles and another for airless solutions; glass bottles with an aluminium cover; heavy based glass items and plastic bottles. Unveil a world of possibilities with **Metallics!***

# Pure White

Pure White è una collezione di articoli semplici ed eleganti pensati per il mondo skincare. Comprende articoli cilindrici e slanciati, in vetro e plastica, completati da accessori bianchi.

Una sobrietà che mette le formule in primo piano! La collezione è suddivisa per tipo di articoli: flaconi vetro, vasi vetro e sistemi airless. La collezione comprende inoltre alcuni vasi e flaconi in plastica.

Trova tutto l'essenziale per sviluppare la tua gamma!

*Pure White is a collection of simple and elegant items designed for skincare. It includes slender, cylindrical items made from glass and plastic and completed by white accessories. A gracious simplicity intended to place the formula at the foreground! The collection is split into categories: glass bottles, glass jars and airless systems. It also includes several plastic jars and bottles. Choose everything you need to put your line together!*
