- 1 FILTRA IN BASE ALLE TUE ESIGENZE
FILTER BASED ON YOUR NEEDS
- 2 SCEGLI IL PRODOTTO CHE PREFERISCI
CHOOSE THE PRODUCT YOU PREFER

Il nostro configuratore prodotti è stato pensato per offrirti un'esperienza semplice, intuitiva e completamente personalizzabile. In pochi passaggi puoi scegliere il contenitore più adatto alle tue esigenze e abbinarlo all'accessorio perfetto, creando una combinazione su misura.

Our product configurator has been designed to offer you a simple, intuitive, and fully customizable experience. In just a few steps, you can choose the container that best suits your needs and pair it with the perfect accessory, creating a tailor-made combination.

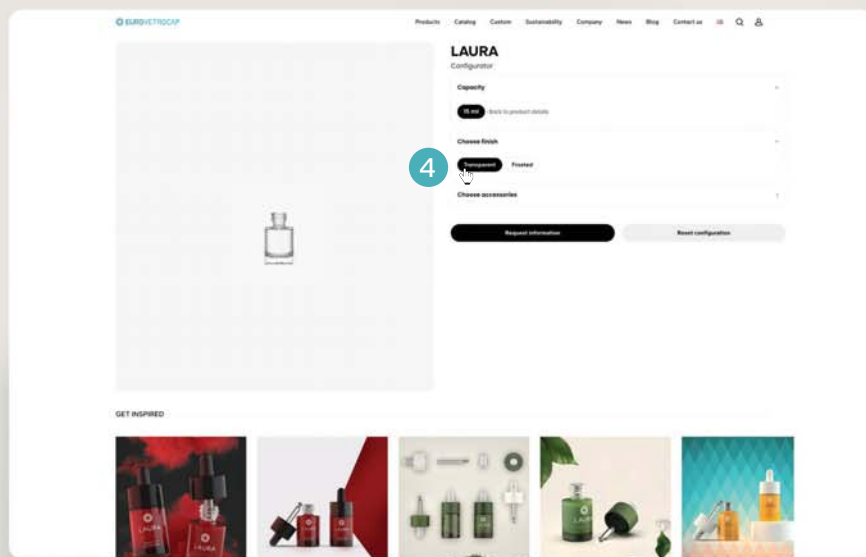

- 3 CONFIGURA IL PRODOTTO SCELTO
CONFIGURE THE SELECTED PRODUCT

Puoi esplorare liberamente le diverse finiture disponibili, confrontando forme, materiali e dimensioni dei contenitori. Ogni scelta è pensata per aiutarti a trovare la soluzione migliore, combinando estetica, funzionalità e praticità, secondo le tue preferenze personali e professionali.

You can freely explore the different available finishes, comparing shapes, materials, and container sizes. Every choice is designed to help you find the best solution, combining aesthetics, functionality, and practicality according to your personal and professional preferences.

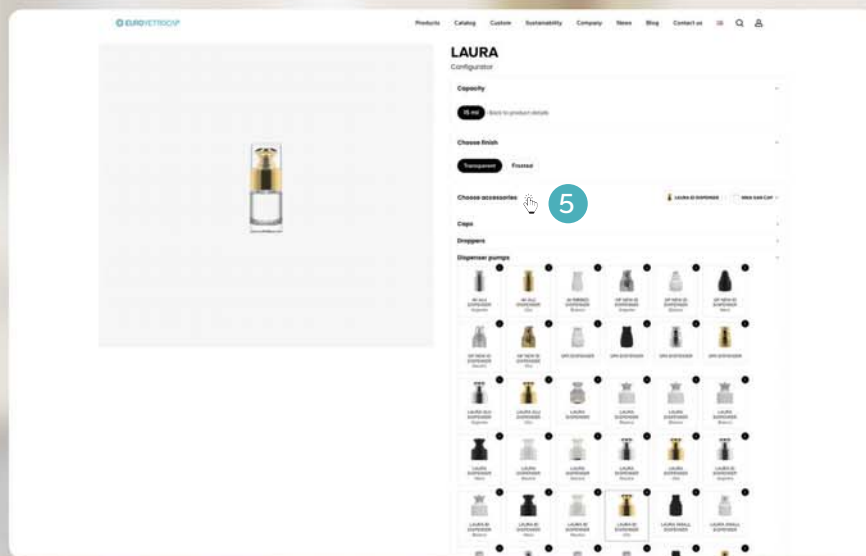

4 SCEGLI TRA LE FINITURE DISPONIBILI
 CHOOSE FROM THE AVAILABLE FINISHES

Ogni elemento è progettato per integrarsi al meglio con gli altri, garantendo coerenza estetica e funzionalità. Il configuratore ti guida passo dopo passo nella selezione, permettendoti di visualizzare le diverse opzioni e confrontarle facilmente.

Each element is designed to integrate seamlessly with the others, ensuring aesthetic consistency and functionality. The configurator guides you step by step through the selection process, allowing you to easily view and compare the different options.

5 SCEGLI TRA GLI ACCESSORI COMPATIBILI
 CHOOSE FROM COMPATIBLE ACCESSORIES

Sperimenta, combina, personalizza: con il nostro configuratore hai la libertà di creare la soluzione che rispecchia davvero il tuo stile e le tue necessità.

Experiment, combine, and personalize: with our configurator, you have the freedom to create a solution that truly reflects your style and your needs.
